

REMARKS

The Examiner has required a new Oath/Declaration, having found defects in the original Oath/Declaration filed in the application. Applicant is tendering herewith a new Oath/Declaration that corrects the deficiencies found in the previously filed Oath/Declaration. No fees are believed to be due for the filing of this supplemental Oath/Declaration, but if any are deemed to be due, please charge the fees therefore to Deposit Account 23-3030.

The Examiner's objections to the specification are believed to have been met by the foregoing enclosed substitute specification and new abstract.

Therefore, Applicant believes that all of the requirements noted in the Office Action mailed May 20, 2003, have been met and that the case is now in condition for allowance. Such action is respectfully requested at the earliest opportunity.

Respectfully submitted:
